

**Associate Professor Dr. Megha Raj Banjara**  
Head of Department  
Central Department of Microbiology  
Tribhuvan University  
Kathmandu, Nepal

Date: 11 September 2018

Dear Dr. Megha Raj Banjara,

I am pleased to inform you that the **Central Department of Microbiology, Tribhuvan University, Kathmandu, Nepal** was elected as an Asia Pacific Malaria Elimination Network (APMEN) Partner Institution during Joint APMEN Working Groups and Partners' Coordination meeting on 6 September 2018 in Bangkok, Thailand.

In behalf of the Network, I welcome you and your organization, and look forward to your involvement in the Network's efforts for the goal of malaria elimination in the Asia- Pacific region.

Respectfully,

Dr. Fe Esperanza Espino  
Director  
APMEN
